

THE GENERAL DATA PROTECTION REGULATION

THE COREKEES FOUNDATION

- The Corekees Foundation uses your personal information to identify the owner of the bonds/trees and to be able to reach and inform its owners/clients. As long as you are our client and you have an account on *Corekees.com*, we will save your data in our database. The data is only accessible by The Corekees Foundation and digitally protected;
- The Corekees Foundation will not share or sell your personal data with or to third parties;
- Mandatory information for purchasing bonds are; first name, last name, email address, and country of residence;
- Optional information for purchasing bonds are; bank account number (IBAN), phone, company name, street address and zip code;
- Both the mandatory and optional information will be protected and erased equally;
- In case of data breaches, you will be informed accordingly and immediately;
- We will permanently erase all of your personal information upon request. Please note that this will also end your bond-ownership; Corekees is only able to manage bonds if we know who the owner is;
- All traffic will go through a secure connection, validated by an SSL Certificate;
- For additional inquiries or information requests, contact info@corekees.com or 020-244 0311.
